Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner indicated that adding the words 'natively' and reciting the markup language command was received in markup language format at the API and that that format was native would overcome the prior art of record, at least to the extent required to obviate the current rejection of all claims under 35 U.S.C. 103(a). Applicant stated that such limitations or variants thereof should be added when the RCE is filed. .
